Membership Drive Slated

The Torrance High School Parent-Teacher association has begun its membership drive. The slogan for the State Congress of Parents and Teachers is: "Parents and teachers Together"

A re-united for youth." This year President Dorsett and Membership Chairman Brunner are stressing the fact that teenagers need the same encouragement, guidance, and understanding in high school that you gave him during his elementary school years.

OFF WITH THE GLASSES

One of the most spirited football players the Torrance high school varsity team has is Carlos Acosta, who throws his whole heart and soul into the game. But, because of poor vision, his playing suffered. Teammates contacted Al Hinz, director of industrial relations, at Harvey Aluminum. Hinz was instrumental in getting the firm to arrange for contact lenses for Acosta which will cost around \$300. The football player is expected to be using them in about two weeks. Hinz (l) and Coach Jack Miller, together with teammates and the rest of the student body feel sure that Acosta will soon be playing harder than ever, and with clear-eyed precision.—Press Photo.

LEADERS PLAN CHEST CAMPAIGN

Representing commercial and industrial firms in the Harbor Area, Employee Chest chairman for the current Community Chest appeal attended a luncheon and briefing session at the Wayfarer's Restaurant in Lomita. Wesley C. Waldorf, Property-Management Corp., Gardena, currently serving in the Chest campaign as commerce and industry division chairman, presided in the absence of Charles Morgan, Harbor Area Commerce and Industry chairman. James Vesceglia, last year's Harbor Area campaign chairman, endorsed the annual Red Feather appeal, and gave pointers for a successful campaign.

Harbor JC

Harbor Junior college, 1111 Figueroa place, Wilmington, has a total of 3256 students—1200 during the day and 2056 in the evening.

The answers to everyday insurance problems*

By LES KING

QUESTION: Will Collision insurance pay for damage to a parked car when the owner doesn't know who or what struck his car?

ANSWER: Yes, the insurance would pay for any damage in excess of the deductible amount of the policy if it is evident the damage is caused by collision. Otherwise the damage would be covered by Comprehensive Insurance.

* If you'll address your own insurance questions to this office, we'll try to give you the correct answers and there will be no charge or obligation of any kind.
